***Ewing Bemiss & Co. Announces the Sale of
Gas Rights to the King County Cedar Hills Landfill***

Richmond, Virginia — August 15, 2007 *Ewing Bemiss & Co.* is pleased to announce that it represented Energy Developments Inc. in its sale of the gas rights at the King County Cedar Hills Landfill to INGENCO.

Based in Australia, Energy Developments Inc. (ASX: ENE) is a leading energy development group with projects in Australia, Europe, Asia, and North America. Energy Developments owns and operates power facilities fueled by landfill gas, coal bed methane, natural gas, and distillate totaling over 480MW.

INGENCO is an independent power producer and manufacturer of electric generation equipment. INGENCO leverages a proprietary generation technology to develop less capital intensive, efficient generation facilities. INGENCO owns and operates its own generation assets and works as a third party contractor to build and operate facilities.

Ewing Bemiss & Co. is an investment bank focused on delivering superior service and optimal results to middle market companies. Since its founding in 1992, *Ewing Bemiss & Co.* has served clients across a broad range of manufacturing and services sectors providing the benefit of its extensive transaction experience and strong relationship orientation. *Ewing Bemiss & Co.*'s core services include Merger and Acquisition Advisory, Private Capital Formation, Financial Restructuring and Strategic Advisory.

Ewing Bemiss & Co. is widely recognized for in-depth sector knowledge and expertise developed through proactive research, years of dedicated service and the development of strong relationships with sector participants in several industries, including Energy, Transportation & Logistics, Healthcare and Business & Technology Services.
